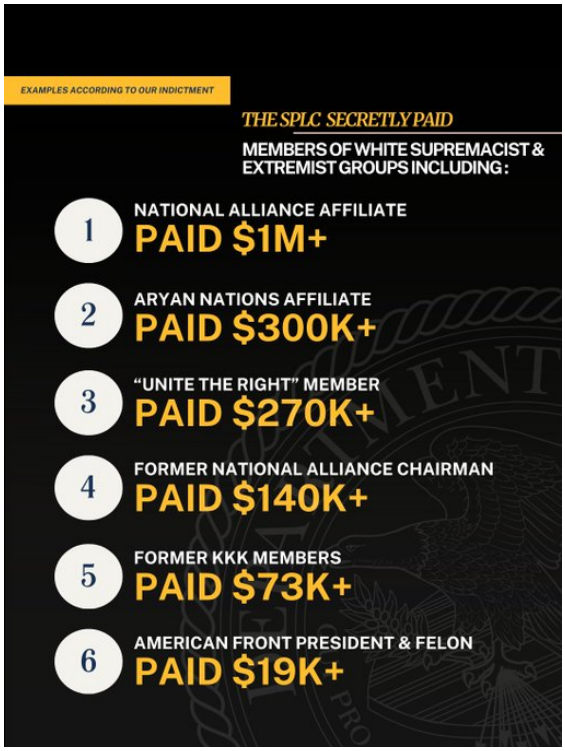
INDICTED! SOUTHERN POVERTY LAW CENTER

HAL TURNER | NATION | APRIL 21, 2026 | HITS: 14058

The U.S. Justice Department has announced an Indictment against the Southern Poverty Law Center ("SPLC").

The indictment alleges SPLC secretly funneled MORE THAN $3 MILLION in funds to members of white supremacist and extremist groups.



The Justice Department alleges the civil rights group defrauded donors by **using their money to fund the very extremism it claimed to be fighting**, with payments of at least $3 million between 2014 and 2023 to people affiliated with the Ku Klux Klan, the United Klans of America, the National Socialist Party of America and other extremist groups.

"The SPLC was not dismantling these groups. **It was instead manufacturing the extremism it purports to oppose by paying sources to stoke racial hatred,**" Blanche said.

The civil rights group faces charges including wire fraud, bank fraud, and conspiracy to commit money laundering in the case brought by the Justice Department in Alabama, where the organization is based.
